On page 43 of Vol. 3 of Raymond's History of Union University, Non-graduates of Class of 1821, JACOB R. FREEMAN should be accredited to Bertie County, N. C., instead of S. C. He was a student at the University of North Carolina in 1817, that is, he entered then, but I know nothing further about him.

From: Letter from Leroy S. Boyd, Librarian, in 1931.
